If you go to the restaurant you want fresh food. You don't buy old stale grub that has smouldered in the ice box for a week. Why then do you want to read stuff that has been smouldering about a printshop for a week before it goes into print. Read the daily.

HEAVY RAIN DOES DAMAGE

The heavy rain of last evening did considerable damage about town and especially at Tenth street where a new storm sewer is being placed. Workmen for the borough were compelled to leave the job unfinished yesterday afternoon when the storm broke and during the night a great amount of rubbish accumulated and forced the water back over the property nearby. The basement of the Albert bakery was flooded and a car load of flour was destroyed by the water.

Basil N. Henry Is Now Real Editor

Basil N. Henry for a number of years foreman of the job department of the Independent, is climbing the ladder of fame as a newspaper man. Basil left here to locate in Vermillion, Ohio, where he accepted a position as reporter, but his work has been so satisfactory, that he has been elevated to the position of assistant editor on the Vermillion News. Basil now sits at his desk and blue pencils copy and is master of what goes in the paper. In a recent issue the News makes the announcement that the size of the paper would be increased and that the circulation list would no longer be carried in the head of the editor, but that it would be placed on a galley like in larger newspaper offices and that the place would be run on a broader scale. The subscription price remains the same. The idea is to allow the patrons of the paper to share in the profits. We are elated over your success "Base." Plow deep, etc.

Bnsiness Men Hear Speaker At Noon Hour

Thirty five industrial business and professional men gathered at the Kilroy hotel today to dine and hear William J. H. Boetcker make a short address. While the time was greatly limited, everybody appreciated the remarks and many good things were dropped. Mr. Boetcker's ambition in life is to make men think. He says most people are out for a square deal and that there are four sides to the square, then the inside. If we will only think from all sides, we will be in a position to give or demand the square deal. This afternoon he speaks in the High school auditorium and tonight before the Board of Trade in Ruthenian hall.

Converted Rabbi Attracts Crowds

The Rev. Dr. Wertheimer, the converted Jewish Rabbi, comtinued his series of lectures on "From Egypt to Caanan" in the First Baptist church yesterday afternoon at 2:30. These addresses are the best that have ever been delivered in Monessen and should be attended by members of all the churches.

At the evening service Dr. Wertheimer spoke on "Satan" There was a large and very attentive audience which was thrilled and held spellbound as they listened to the eloquence of the Doctor as he explained some of the difficult and obscure passages of the Bible. From these scriptures were clearly proven the personality of Satan, where he came from, what a beautiful and attractive person he was and still is, what a vast store of wisdom and power he has and how even today he is deceiving multitudes of people. To appreciate these sermons you must hear them for yourselves, and we trust that we will have a crowded attendance on the few remaining nights that Dr. Wertheimerr is to be with us. We make a strong appeal to all ministers, Sunday school teachers and Christian workers of Monessen and community to come and hear this great preacher and expositor of the Bible. Never before has such a Biblical teacher been here, therefore come and be interested.

Sinners have come forward and others expressed a desire to be prayed for in our meetings. Tonight the subject will be "Our Lord's Return and Some Signs Pointing Thereto." Tomorrow, Saturday night the subject will be "The Why and Wherefore of the Great European War." We extend a cordial invitation to both Jews and Gentiles to come and hear such a man as you have never heard before.

MISS RICHARDS TELLS STORY OF MURDER

Surrounded by sorrowing friends and relatives the remains of Mrs. William H. Kuen, who met a tragic deatth at the hands of her husband in Pittsburgh, Wednesday evening, now lie in a plain white casket at the home of her parents, Mr. and Mrs. John L. Richards at Ninth and Summit avenues. The body was brought here from Pittsburgh last evening on the 5:10 train and taken in charge by Undertaker R. S. Kelly. Following on the 7:45 train came her younger sister, Miss Gertrude, who also fell a victim to the enraged husband, but fortunately escaped with a slight wound in the head. To a small comb which she wore in the back of her hair she owes her life, for from this the bullet was deflected and took an upward course, entering her neck and coming out the top of her head. Her injury will not prove serious, although she is still under the care of a local physician.

Kuen after shooting his wife and her sister, turned the smoking revolver on himself and inflicted a serious wound in his breast. He is now in the Mercy hospital under police guard and should he recover will be taken to jail to await a charge of murder. He was conscious for a short time after being admitted to the ospital and inquired about his wife. He refused to make any statement other than to state that "Drink did it all." Mrs. Kuen recovered consciousness on the way to the hospital and attemped to tell of the shooting. Her last words were "He did it all." A few minutes after she was taken to the hospital she died on the operating table.

Miss Richards' statement made to the police officials follows:

"I arrived home Wednesday evening at 5:45 o'clock and got supper ready, and while I was waiting for my sister Mrs. Sutton, the lady from whom we rent, came up and said tha Kuen was down at the corner apparently waiting for my sister. Kuen and my sister had been separated on the last occasion since February, but they had been separated at other times. I waited until I thought it was time for my sister to arrive and went down to the corner and I saw Kuen there. My sister was in the grocery store and Kuen was waiting outside. I spoke first to Kuen and said "Hello." and he said "Hello" and I said that I forgot to tell Beulah to get the milk. I went into the grocery store and we came out and Kuen came upto us and said to my sister 'I want to talk to you.'

"She said, 'What do you want to say?'

"He said 'I want to talk to you, Gert can walk on a little piece.'

"I walked on and they stood and talked a little while and then I stopped about 40 feet from where they were standing but I did not hear their conversation. My sister started on and he tried to get her to come back, but she hurried and caught up to me. We started home and passed a frat. house where some students were out on the porch and Kuen was walking back of us about seven feet and I said, 'Come on, the boys will think we have been flirtng and that he is following us.'

"She laughed and we hurried a little. We crossed Atwood street and Kuen came up. I had hold of my sister's arm and he shoved us apart and said to my sister, 'Are you going to talk to me?'

"She said 'No.'

"He said 'Do you have time to talk?'

"No, I am hungry and we have to clean our rooms,' she said.

"He said, 'Well, now, I will give you time.' At the same time he shot her in the shoulder and then I think he shot her in the throat and then he shot himself once. I ran toward him and he pointed the revolver at me and I kind of turned and put my head down and he shot me in the back of the head. I don't know whether he shot himself again or not. I started to run and a boy from the frat house caught me and I did not fall. I do not know the exact reason why my sister and Kuen separated, but I understood it was because he would not work steadily and did not support her properly and he was mean to her, but my sister did not complain to me or to any other person that I know of, but she had entered suit for divorce from him and was to get her divorce on the 27th of this month.

According to the divorce libel, filed by Mrs. Kuen she had been subjected to ill treatment from the time she was married to Kuen. Her first divorce was filed July 7, 1915, but was withdrawn later and the couple took up their home together, separating again on January 25, 1915. Mrs. Kuen filed a second divorce libel on February 18, this year and May 1 asked that the case be heard before a master. Attorney C. L. Stevenson was appointed master, but the case had not yet been concluded when Mrs. Kuen was killed.

Funeral services will be held at the home of Mr. and Mrs. John L. Richards at 7 o'clock tomorrow evening, with Rev. W. S. Carson of the Baptist church in charge. The remains will be taken to Monongahela Sunday morning and interment made in the cemetery at that place.

Child Welfare Circle For Clean-Up Campaign

The Monessen Child Welfare Circle of the National Congress of Mothers, being deeply concerned in all matters which tend to promote the health and care of children, is in hearty sympathy and accord with the movement being promoted by the Board of Trade for united action in a general cleanup campaign. It is of the utmost importance that serious attention be directed to matters concerning the sanitary conditions of streets, alleys, vacant lots and private homes. We appeal to every citizen—every home owner—every father and mother, to take part in this movement for a cleaner and more healthful city. Helping to clean up Monessen will be helping to save the babies.

Sunday Mail From Here Established

Upon application of local people and a petition sent to the post office department through Edmond Jeffries, postmaster, a Sunday evening mail will leave Monessen. About four years ago during a reform wave a petition was sent to the department asking that mail be discontinued from Munessen. Those who had important letters to leave then had to go to wicked Charleroi and mail them out.

Mr. Jeffries annonunces that beginning May 23 and Sundays only thereafter a pouch will be sent from the local office on the 4:10, but no collections of mail will be made. Letters will have to be deposited in the post office.

MONESSEN PA. OLYMPIC HOME OF THE PIPE ORGAN

Another top notch day today at the Olympic. An episode of "The Girl Detective series—"The Thumb Prints on the Safe" in two reels. The girl did a clever work. The trusted servant makes confession. Yes, but to discover the thumb prints and compel the trusted clerk to make the confession is not as easy a job as it appears to be.

The next picture is an episode of the Hazards of Helen—"The Girl at Lone Point," captured under difficulty. This is where you see thrilling scenes. Helen proves to be a successful actress. Those who were not lucky enough to see the plays, they must see the play, they are fine.

The next picture is King Baggot with Jane Gail in a tense melodrama, "Tony." The name of King Bagot is a guarantee. You may find a few, a very few players that are equal to King Baggot, but none better in the world.

On top of all these pictures we have a scream, Nestor comedy, produced by Al Christie, "Wanted a Chaperone," an uproarous farce in two reels, with leading players such as Lee Moran, Eddie Lyons, Vivtoria Forde, Billie Rhodes and Jack Dillon. If you only knew it you would not stay at home if you were nearly dead. This is a sure cure. 1t

BASE BALL

In the Junior H. S. baseball league, 7A defeated 8B in a very interesting and hotly contested game. The two teams were battling for second place and the defeated team has a slim chance for the pennant. Two teams only are now in the race for the championship, 7B and 7A. The next game scheduled between 7A and 7B will probably decide the race.

The game was bitterly contested until the last inning when 7A secured three hits and two bases on balls, which netted them four runs and the game.

Early Hand-Guns.

When Edward IV, returned to England, in 1471, ten years after he succeeded to the throne, he obtained some forces from his brother-in-law, the Duke of Burgundy, including 300 Flemings armed with hand guns, thus being the first to introduce these weapons into England. Afterward they became common. At first they were fired by the application of a lighted match to the touchhole by the hand. The match was a wick lighted and pressed against the powder in the pan. The invention of a lock to fire the powder in place of the hand was suggested by the trigger of the crossbow. The matchlock fired the arquebus, or harquebus, used by the soldiers of the fifteenth and sixteenth centuries, in projecting a ball which weighed nearly two ounces.—London Telegraph.

A Rapid Calculation Trick.

By means of a simple arrangement of numbers a calculation can be made which will easily puzzle any unsuspecting person. If the two numbers 41,096 and 83 be written out in multiplication form very few will endeavor to write down the answer directly without first going through the regular work. By placing the 3 in front of the 4 and the 8 back of the 6 the answer is obtained at once, thus: 41,096x83 equals 3,410,968. A larger number which can be treated in the same way is the following: 4,109,589,041,096x83 equals 341,096,890,410,968.—Popular Mechanics.

Tibetans and Prayers.

The Tibetans are the most pre-eminent praying people on the face of the earth. They have praying stones, praying pyramids, praying flags flying over all the houses, praying wheels and praying mills and the universal prayer, "Om mani pad me haun," is never out of their mouths.—Exchange.

Crystal Wedding Anticipated.

"What did he send you for a wedding present?"

"Cut glass."

"Ah! Tableware, I suppose?"

"No; a necklace."—London Standard.

Greased Torpedoes.

It is not generally known that every torpedo is covered over with fine vaseline so as to make it run easily in its tube as well as to protect the valuable weapon from rust and sea water.

Hard Luck.

"Terrible predicament Jones was in."

"What was that?"

"Got in hot water and couldn't get anybody to bail him out."—Baltimore American.

To lose money ill is indeed often a crime, but to get it ill is a worse one, and to spend it ill is worst of all.—Ruskin.

Here's Monessen proof. Investigate it.

Mrs. J. Feightner of 133 Oneida street, Monessen, says: "I suffered from severe pains in my left side and across my back. I often head headaches and dizzy spells and my appetite was poor. I used Doan's Kidney Pills, procured at the Hirsch Drug Co., although I had but little faith in them. I am very glad that I did, for they did me a world of good. I highly recommend Doan's Kidney Pills to anyone suffering from kidney disorders."

Appointments By Governor

Walter H. Gaither, ex-Gov. Tener's private secretary who was appointed by the retiring executive to a place on the Public Service commission, has been retired by Gov. Brumbaugh, and is now out in the cold. The Governor withdrew the Tener appointments from the senate and only retained two of the members.

Former Judge Edmund H. Reppert of Uniontown was appointed to fill the vacancy in the Common Pleas bench of Fayette county caused by the resignation of Judge R. E. Umbel. Mr. Reppert served on the bench for a term about 15 years ago. His appointment was made on the recommendation of Senator W. E. Crow. The appointment holds until January 1916, his successor being elected this fall.

County Superintendent of Schools Robert C. Shaw of Greensburg, was appointed by Governor Brumbaugh a member of the State Board of Education. He takes the place of David B. Oliver of Pittsburgh who resigned soon after Mr. Brumbaugh became governor.

Governor Brumbaugh was appointed the following trustees for Westmoreland county to administer the law providing payments to indigent, widowed and abandoned mothers, Mrs. U. G Sheets, Jeannette, Mrs. T. E. McConnell, Parnasus; Mrs. John S. Duvall, Monessen; Mrs. Isabel Donnely, Latrobe; Mrs. D. H. Stoner, Mt. Pleasant; Mrs. Harry F. Bovard, Greensburg, Mrs. Mollie McKean Johnson, Vandergrift

Former Representative John F. Ely of Jeannette, was appointed by the governor a memebr of the board of managers of the Pennsylvania Village for Feeble Minded Women. Other members of the board are Mrs. D. H. Hastings, Bellefonte; J. M. Murdock, Polk; John K. Johnston, Tyrone.

WEAK, AILING CHILD

Made Strong By Delicious Vinol

Lakeport, N. H.—"Our little girl 8 years of age was in a debilitated, run-down condition and had a stubborn cough so she was weak and ailing all the time. Nothing helped her until we tried Vinol. Then her appetite increased and she is strong and well, and I wish other parents of weak, delicate children would try Vinol."—GEO. A. COLLINS.

This is because Vinol contains the tissue building, strengthening cod liver elements and the tonic iron which a weak and run-down system needs.

HAVE COLOR IN YOUR CHEEKS

Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study with his patients.

Dr Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color.

If you want a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days, you must get at the cause.

Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects.

They start the bile and overcome constipation. That's why millions of boxes are sold annually at 10c and 25c per box. All druggists.

Take one or two nightly and note the pleasing results
